It is agreed that the parties will jointly request the Federal Mediation and Conciliation Service (FMCS) if either party to this Agreement determines that the assistance of a mediator would be helpful. Should FMCS be unavailable, the Illinois Educational Labor Relations Board shall be notified.

## ARTICLE 3 - GRIEVANCE PROCEDURE

### 3.1 Definitions

- A. A grievance is a claim by the Association, employee, or group of employees involving an alleged violation, misinterpretation, or misapplication of the terms of this Agreement.
- B. All time limits shall consist of school days, except that when a grievance is submitted less than ten (10) days before the close of the current school term, time limits shall consist of all weekdays.
- C. Any individual employee or a group of employees may at any time present grievances to the immediate supervisor and have them adjusted without the intervention of the Association as long as the adjustment is not inconsistent with the terms of the Agreement, provided the Association President has been given a written copy of any such adjustment, and the bargaining representative be given an opportunity to be present at such adjustment.

### 3.2 Procedure

The parties hereto acknowledge that it is usually most desirable for an employee and the immediately involved supervisor to resolve problems through free and informal communications.

For those employees housed in a local district, the immediate supervisor shall be the Director.

For those employees not assigned and housed in any one local district, the immediate supervisor shall be the Director.

If, however, such informal processes fail to satisfy the employee, a grievance may be processed as follows:

- A. The grievant or Association shall present the grievance in writing within twenty (20) days of the date the employee becomes aware of the occurrence of the event giving rise to the grievance, specifying the article, and clause alleged to have been violated and stating the remedy sought, to the Director. The Director shall arrange for a meeting to take place within ten (10) days after the receipt of the grievance by the Director. The Association and the grievant shall be provided a written answer to the grievance within ten (10) days after the meeting, including the reasons of or the decision but such reasons shall not be grievable nor subject to the grievance procedures.
- B. If the grievance is not resolved at Step A, the aggrieved or the Association may refer the grievance to the Executive Board within ten (10) days after the receipt of the Step A answer. A subcommittee of the Executive Board shall arrange a meeting to take place within ten (10) days of the receipt of the appeal. Within ten (10) days of the meeting, the grievant and the Association shall be provided with the subcommittee's written response including the reasons for its decision, but the reasons shall not be grievable or subject to the grievance procedure.
- C. If the Association is not satisfied with the disposition of the grievance at Step B or the time limits expire without the issuance of the subcommittee's written reply, the Association may submit the grievance to final and binding arbitration. If a demand for arbitration is not filed with the Executive Board within thirty (30) days of the date of the Step B answer, then the grievance shall be deemed withdrawn. If within fifteen (15) days of the filing of the demand for arbitration with the Executive Board the parties

## ARTICLE 3-

cannot agree on the source of an arbitration list, the demand shall be submitted to the American Arbitration Association which shall act as the administrator of the proceedings.

1. The opinion of the arbitrator shall not amend, modify, nullify, ignore, or add to the provisions of this Agreement. The arbitrator's authority shall be strictly limited to deciding only the issues presented to her/him in writing by the Cooperative and the Association, and the arbitrator's decision must be based only upon her/his interpretation of the meaning or application of the express relevant language of the Agreement.
2. Each party shall bear the full costs for its own representation in the grievance procedure.
3. If either party requests a transcript of the proceedings, that party shall bear full costs for that transcript. If both parties order a transcript, the costs of the two transcripts shall be divided equally between the Cooperative and the Association.
4. Each party shall share equally the cost of the arbitrator and the AAA.

### 3.3 Variations

- A. Failure of an employee or the Association to act on any grievance within the prescribed time limits will bar any further appeal. An administrator's failure to give a decision within the time limits shall permit the grievant to proceed to the next step. Time limits shall be extended by mutual consent.
- B. Any investigation, handling, or processing of any grievance by the grievant or the Association shall be conducted so that instructional programs and related work activities of the grievant or the work staff are not interrupted. However, should a grievance meeting or arbitration be scheduled by the Employer during work time, the grievant and her/his Association representative shall be released without loss of pay or benefits.
- C. By mutual agreement between the Association and the Director, any step of the grievance procedures may be bypassed, and the grievance brought directly to the next step. By mutual agreement between the Director and the Association, a grievance may be submitted directly to arbitration.
- D. Class grievances involving one or more employees may be initially filed by the Association at Step A.
- E. The Employer acknowledges the right of the employee to have any Association representative present at the informal step, Step A, and Step B of the grievance procedure. The employee shall have the right to have any Association representative present during any grievance proceedings at Step C. No employee shall be required to discuss any grievance if the Association representative is not present, if one is requested.
- F. No reprisals shall be taken by the Executive Board or an administrator against an employee because of their participation in a grievance.

### ARTICLE 3-

- G. All records related to a grievance shall be filed separately from the personnel files of the employees.
- H. A grievance may be withdrawn at any level without establishing precedent.
- I. The Cooperative shall not be bound by decisions made by persons who are not employees of the Cooperative with respect to the terms and conditions of this Agreement, other than as provided at Section 3.2(C) herein. The parties agree that the Cooperative or its designee shall have the authority to supersede decisions made by persons who are not employed by the Cooperative, other than as provided at Section 3.2(C) herein.

In addition, if the employee requests in writing, copies of any material from the personnel file, copies will be provided to the employee at the time of such review, if possible. The employee shall pay for the cost of copying such material.

Employees shall not remove any material from said file and must review the contents of the file in the presence of the Director of the Cooperative or designee. No negative evaluation materials which will be used by the Cooperative to dismiss an employee shall be placed in the file unless the employee has received a copy of such material.

Upon written request, the employee shall receive a copy of any material contained in the file, at no cost, which will be used by the Executive Board for an employee dismissal for remediable cause.

No material may be used for formal disciplinary action against an employee which has not been placed in the employee's personnel file unless the employee has been given a copy.

The Association shall be limited to a maximum of five (5) days per school year, not to exceed three (3) days. No more than two (2) employees per day shall be excused for said leave.

Notification of such leave shall be submitted in writing to the Director of the Cooperative at least fifteen (15) school days in advance of the date of the leave.

### **4.9 Printing of Agreement**

Within thirty (30) days of the adoption of the Agreement by the Executive Board, copies of the Agreement shall be emailed to the Association and copies of the Agreement shall be printed for the Board.

### **4.10 Use of Facilities**

The local Association shall have the right to use school facilities at a time when school is not in session provided that such meetings do not interfere with instructional and/or extracurricular programs. For employees housed in a specific school district, prior approval must be given by the local Superintendent. For those employees not assigned to a specific district, prior approval must be given by the Director in order to use the administrative office. ## ARTICLE 4-

Employees shall have the right to authorize payroll deductions for the following:

- A. Tax Sheltered Annuity
- B. Dues Deductions
- C. Flex Accounts
- D. Supplemental Insurance
- E. HSA-Health Savings Account

Employees shall be limited to two (2) authorization changes per program per year. Such changes can only occur in the months of January and September and the employee must inform the Board with at least ten (10) working days' notice. Change shall be defined as enrollment or any change in the amount of money deducted or cancellation at any time during the work year. Changes must comply with the plan documents and/or carrier's guidelines.

### 4.15 Annuity Programs

The employer retains the right to restrict the number of active annuity programs to four (4) in number. Additional annuity programs, beyond the four (4) active annuity program limit, may be added for payroll deduction purposes if four (4) or more employees make such a request to the Executive Board.

Clarification - It is expected that employees will review active program(s) prior to requesting a new annuity program being started.

### 4.16 Organization Dues, Payments and Contributions.

The board shall, upon written request of an employee, withhold from the compensation of that employee any dues, payments or contributions payable by such employee to an employee labor organization as defined in the Illinois Educational Labor Relations Act. ## **ARTICLE 4-**

administrative agency as a direct consequence of the employer's compliance with this Article.

It is expressly understood that this save harmless provision will not apply to any claim, demand, suit or other form of liability which may arise as a result of any type of willful misconduct by the employer or the employer's imperfect execution of the obligations imposed upon it by this Article.

The philosophy of the communication lab is similar to the roundtable discussions. The purpose is to enhance communications and assist in identifying issues and concerns without proposing solutions.

## ARTICLE 5 - CONDITIONS OF EMPLOYMENT

### 5.1 Employees Housed in Only One District

Each program shall follow the school calendar of the district in which it is housed, unless otherwise notified before the start of the school year. If any changes occur such as boil orders, heat days, Acts of God, Administrative decisions, etc....the director will be notified.

### 5.2 Workday Certified Staff

Certified staff will work a minimum 37 ½ hours per week, inclusive of a duty-free lunch, and follow a daily time frame that meets the needs of their student population and the needs of the district they service as agreed to by the director and certified staff. A certified staff member may request an administrative workday in the event of excessive workload expectations, as deemed appropriate by the director. The director will give written approval of this workday if a substitute is available, which can be taken in 1-2 half days or one full day, not to exceed one workday within one school year. The certified staff member must be present at the school building or Region III Office on that workday.

## ARTICLE 5-

lunch per student day.

All non-certified staff in each building should be on a consistent schedule. These hours should be determined by their building's certified staff and the Director to best meet the needs of the building programs.

The number of workdays shall equal the number of student attendance days plus 11 holidays. All ESPs will attend the beginning of the year meeting instead of working two parent teacher conference evenings. For any ESP in a program that has four parent teacher conference evenings in the school year, the ESP will work one day before the first student attendance day, to be scheduled with the classroom teacher, if relevant.

Any ESP who is involuntarily moved during the school year to a different school district will be paid their regular rate for any additional days worked due to differences in the school calendars. If a transfer causes an employee to lose days due to such a move, they will be assigned additional days to make up lost days.

All ESPs will be available for other duties as assigned after Region students have gone home.

Region III has the ability to hire part-time ESPs for less than 6 ½ hours per day or less than five (5) days per week. The part-time employee may apply for any full-time position that becomes available provided that employee is qualified for the new position.

When schools are closed due to an emergency weather, or Act of God days, employees will be paid their regular rate for such days unless the day is rescheduled. These rescheduled institute days can be exchanged for personal days upon prior approval of the director.

Any days in excess of two that are not made up by the district will be repaid to the Cooperative in the form of institute days at the rate of one institute day per two days that are beyond the first two days (i.e., day 3, day 6, day 9) will be considered institute days paid to the Cooperative.

These rescheduled institute days will be rescheduled by the director.

### 5.6 **Work Year - Itinerant Employees Assigned to the Director**

Itinerant teachers who are assigned to the Director shall follow a calendar and work year established by the Director. For such employees, the work year shall not exceed one hundred eighty (180) full teacher responsibility days. ### 5.7 **Professional Conferences**

Region III employees must request permission to attend a professional conference by filling a pre-approved form at least one (1) month in advance of the conference.

The Executive Board may approve the use of a professional conference and may base its decision on one or more of the following guidelines:

## Memorandum of Agreement

### **RE: Experience Credit for Paraprofessionals**

This Memorandum of Agreement (“MOA”) is made and entered into on the date set forth below, by and between the Governing Board of Region III Special Education Cooperative (“the Board”) and the Region III Education Association, IEA-NEA (“the Association”), regarding experience credit for Paraprofessionals. The Board and the Association hereby agree as follows:

1. The Board and the Association are parties to a collective bargaining agreement for the time period from July 1, 2022 through June 30, 2025 (“the CBA”).
2. Currently, Section 11.2, Subsection C of the CBA states: “All ESPs shall be hired in at the first step on the pay scale according to the contract agreed upon regardless of experience.”
3. Notwithstanding Section 11.2, Subsection C of the CBA, the Board and the Association have agreed that beginning January 1, 2023, Paraprofessionals will be awarded experience credit on the following terms and conditions:
  - a. Paraprofessionals will receive credit on the salary schedule for *relevant prior experience*, defined as prior work in a public school district or special education cooperative in a Paraprofessional position or comparable position (e.g., Teacher’s Aide, Instructional Assistant, or Paraeducator), calculated as years of service completed before being hired by the Board.
  - b. Paraprofessionals hired on or after January 1, 2023, will be placed on the ESP Salary Schedule (attached to the CBA) on the step reflecting their relevant prior experience.
  - c. Effective January 1, 2023, Paraprofessionals who are currently employed by Region III, and who have relevant prior experience, will be advanced on the ESP Salary Schedule (attached to the CBA) to the step reflecting their relevant prior experience, and will be compensated accordingly. Salary/rate increases will be prospective only, and will not apply retroactively.
4. The Board and the Association agree that this MOA shall not obligate the Board or the Association to agree to a similar arrangement in the future or in another case, shall not waive any other requirements contained in the CBA, shall not negate or modify any provision of the CBA except as specifically set forth herein, and shall not require any party to bargain over any provision of the CBA during the term of the CBA, unless such bargaining is otherwise required by law.
5. The Board and the Association agree that this MOA shall not be deemed a violation of the CBA. Further, the terms and provisions of this MOA shall not be considered as setting precedent or past practice that would constitute a basis for a grievance by the Association or any employee of the Board. Except in the case of an alleged violation of this MOA, neither bargaining unit employees nor the Association shall present or raise, for any reason, this

MOA or its terms or conditions in any subsequent grievance or arbitration proceeding regarding the interpretation, application, or implementation of the CBA.

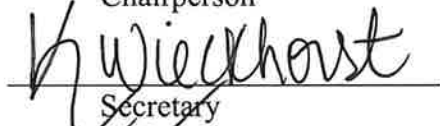

6. To the extent of any conflict or inconsistency between this MOA and the CBA, the provisions of this MOA shall control. The CBA shall otherwise remain in full force and effect.
